

LIGHTS CAMERA AUCTION

PROCUREMENT IDEAS

CORPORATE SPONSORSHIPS!

Do you own a business or know someone who does? Businesses may sponsor our auction at several different levels, each with its own rewarding incentives! Sponsorships count towards your procurement obligations!

WINE CELLAR!

The 'Wine Cellar' has been a favorite live auction item for the past few years. Donate a bottle or bottles of wine to be added to a wine auction. **Wine may NOT be brought to school.** \$50 worth of wine counts as one procurement.

DESSERT AUCTION!

Consider making or procuring a dessert for the dessert auction! Last year our dessert auction made over \$2800!

HOST A SIGN-UP PARTY!

You may host a 'sign-up' party to count as one of your procurements! A sign-up party is an awesome event hosted by you that people can 'sign-up' and pay to attend! The money goes to APPLE. These parties may be for children, adults, or families. You could even team up with a friend to share the expenses and prep time! Some ideas include:

- Elegant dinner party or Summer BBQ
- Poker Party
- Crafting Night
- Beer Sampler or Wine Tasting Party
- Summer Pool Party

Last year sign-up parties raised over \$1000!
This is also a great way to get to know members of our APPLE community!
